WORK EXPERIENCE

Edmonton Aluma Systems

Warehouse Associate / Yard Laborer

July 2017 – August 2019

Edmonton, AB

- Performed maintenance and repair on shoring, forming, and scaffolding materials based on engineering manuals with close attention to detail.
- Picked and packed orders accurately for shipment promptly.
- Ensured high productivity levels, averaging 1000 serviced units per day, either by working independently or within a team environment.
- Regularly operated a pallet jack, as well as various types of power tools and hand tools.

NAIT

Tutor (Seasonal)

January 2019 – May 2019

Edmonton, AB

- Utilized strong communication skills while working one-on-one with students seeking assistance in Electrical Fundamentals, Three Phase Fundamentals, and Technical Mathematics and Calculus I.

McDonald's

Cook

April 2016 – February 2017

Edmonton, AB

- Prepared various food items per customer's orders, adhering to proper food handling and procedure in a fast-paced environment.
- Cleaned and sanitized work areas, equipment, utensils, and dishes to meet health and safety standards.

Galaxyland

Ride Operator (Seasonal)

May 2015 – August 2015

Edmonton, AB

- Operated rides safely and smoothly.
- Recognized emergencies and dealt with them appropriately, monitored activities to ensure adherence to rules and regulations, and communicate status reports to management.

EDUCATION

NAIT

Electrical Engineering Technology

December 2019

Edmonton, AB

- Maintained an excellent academic standing with an overall GPA of 3.9.
- Created a Capstone Project that is a finalist of the ASET 2021 Capstone of the year award.
